Garden State Film Festival

Honoring

Lauren Concar Sheehy

Executive Director of the
Garden State Film Festival

**Join us for a continental breakfast and panel discussion on
the future of cinema and the women who are paving the way.**

From the script to the screen, and from the classroom to the festival circuit, women are redefining the entertainment landscape. Join our expert panel as they speak about breaking barriers, creating mentorship pipelines, and building a more inclusive cinematic future.

Panelists

Casey DeStefano, DGA

Director & Mentor, actively guiding
and empowering the next generation
of young women actors.

Jessica Varian Carroll

Author, shaping the narrative
and having her book adapted
from the page to the screen.

Madison Santos

Actor & Producer,
championing female-led projects
in front of and behind the camera.
