PRESENTS

LIGHTS, CAMERA, LEGACY

Women in Communications
Shaping the Future of Cinema

Saturday, October 17th
9:00AM-12:00PM

The historic Reckless Estate
164 Broad Street, Red Bank, NJ

Join us for a continental breakfast and panel discussion on the future of cinema and the women who are paving the way.

From the script to the screen, and from the classroom to the festival circuit, women are redefining the entertainment landscape. Join our expert panel as they speak about breaking barriers, creating mentorship pipelines, and building a more inclusive cinematic future.

Honoring

Diane Raver

Co-Founder of the
Garden State Film Festival,
celebrating it's 25th year.

Casey DeStefano, DGA

Director & Mentor, actively guiding
and empowering the next generation
of young women actors.

Jessica Varian Carroll

Author, shaping the narrative
and putting women's stories
from the page to the screen.

Madison Santos

Actor & Producer,
championing female-led projects
in front of and behind the camera.
